Estimated The bid submission deadline has been set by the BMC for August 28, with a pre-bid meeting scheduled for August 18.

The area encompassing Chhatrapati Shivaji Maharaj Terminus (CSMT), the BMC headquarters, and the Central Railway's administrative offices is one of Mumbai's most iconic heritage zones. While the BMC installed a selfie point to showcase this legacy, the precinct lacked facilities offering immersive or panoramic views. To fill this gap, the BMC planned the development of THG featuring unique architectural elements and invited tenders on April 24. However, after months of inviting bids, the

The EOW investigation has revealed that Hiren Bhanu allegedly received Rs24 crore and Gauri Bhanu Rs2 crore from the bank, allegedly sanctioned by then General Manager Hitesh Mehta. In May this year, the EOW had filed an extensive 12,634-page chargesheet against 10 persons, including Mehta, who is accused of facilitating the fraudulent transactions. The Bhanu couple were declared absconders in the initial chargesheet. Blue corner notices have been issued in an effort to trace them.

Yogi film now before revising panel the portraval of a constituinspired by a book based on

FPJ News Service MUMBAI

The Bombay High Court on Thursday directed the makers of the film 'Ajey: The Untold Story of a Yogi' to approach the revising committee of the Central Board of Film Certification (CBFC) after the Board refused to certify the film. The movie is reportedly the life of Uttar Pradesh Chief Minister Yogi Adityanath.

A bench of Justices Revati Mohite-Dere and Neela Gokhale directed the CBFC to inform the filmmakers of the objectionable scenes or dialogues by August 11. The makers must then update the court on August 12 about the changes they intend to make.

The next hearing is scheduled for August 14.

Earlier, the Court had asked the CBFC to screen the film and issue a reasoned order. On Thursday, CBFC's counsel submitted that the Board had done so and that the filmmakers were free to appeal before the revising committee. He stated that the concerns were not just about

tional figure, but also about potentially "defamatory" and 'objectionable" content.

However, the film's producers, Samrat Cinematics, contended that the CBFC failed to specify which scenes were problematic, despite being required to do so under Section 4(2) of Cinematograph Act.
